01 Contact

- ☐ **Email:** shuff@chicousd.org, I reply within **48 hours**
- ☐ **No reply by then:** send a follow-up
- ☐ **Current grade:** MyOpenMath, more current than Aeries
check here first
- ☐ **Official grade:** Aeries, reported by semester

02 Your grade

Scale: A 90+ · B 80+ · C 70+ · D 60+

03 Turning work in late

- ☐ **Late passes:** **10 per semester**, one extra day each
- ☐ Use a pass the day you miss the due date, they do not stack
- ☐ Passes work on daily classwork and homework only, never on tests
- ☐ **Working ahead:** finish more than twenty-four hours early and MyOpenMath adds **2%** automatically

04 When you are absent

- ☐ **Excused:** the same number of days you were out, counted from the day you return
- ☐ **Unexcused:** no extension, the work is still due on its original date
- ☐ **Planned ahead:** arrange it before you leave, or a missed test stays missed

05 Tests

- ☐ **No retakes** on Group Tests or Individual Tests, and no corrections
- ☐ **Practice Tests:** redo as many times as you want, they are homework
- ☐ Cannot do the Practice Test without help? You are not ready

06 In the room

- ☐ **Phones:** collected at the start of every period, returned at the end
- ☐ Earbuds, smart watches and smart glasses go with them
- ☐ **Bring:** charged Chromebook, notebook with lined and graph paper
- ☐ **AI:** unauthorized use is cheating, edited or not

07 For parents

- ☐ Nothing to buy, the book is free at oerbookshelf.app and downloads for offline use
- ☐ Two semester grades, December and June, both on the transcript, neither replaces the other
- ☐ Graded work lives in MyOpenMath, which needs internet, so download ahead if you will be offline
- ☐ **Check grades:** MyOpenMath, for anything missing, late or open
